Course 215: Right of Way Acquisition for Pipeline Projects March 8-9, 2018 San Antonio, TX

Course 215: Right of Way Acquisition for Pipeline Projects

Course Description:

This award-winning course is designed specifically for right of way professionals working in the pipeline industry but useful for any linear right of way acquisition program, including electric transmission lines. This comprehensive course emphasizes areas of pipeline right of way acquisitions that benefit both executive and entry level professionals. In addition to the topic chapters listed below, participants will receive sample checklists, charts, forms, reference lists, facts sheets, glossary of pipeline related words, and sample correspondence letters, all of which are designed to help the pipeline professional.

Course Level:

Intermediate

Topics:

- Project planning
- Records development and management
- Title and curative matters
- Survey
- Permits
- Negotiations and strategy
- Public relations
- Construction
- Damage settlement
- Related field activities

Course Instructor:
David W. Sinclair, SR/WA, has worked in the right of way profession for 34 years and is presently the Land Project Manager for the Alaska LNG Pipeline Project working for Paragon Partners Ltd. (Paragon) in Anchorage, AK. Prior to joining Paragon, Mr. Sinclair was President of Steele Land Services, served in various executive positions for ENGlobal Corporation and its predecessor company, and worked at Enron for more than 16 years serving as their Director of Right of Way until January of 2001. Prior to joining Enron in 1984, he was an independent consultant, performing land and right-of-way acquisition in various regions throughout the country. Mr. Sinclair is presently a Trustee and past President of the Right of Way International Education Foundation, an IRWA instructor, an instructor for the BLM Pipeline Systems Course, and member of the Pipeliners Association of Houston. He is also the past Chair and current Treasurer of the IRWA Pipeline Committee, Past President and Professional of the Year of IRWA Chapter 8, and a past Chair of the Southern Gas Association (SGA) Roundtable.

Cancellation Policy: All classes scheduled by IRWA are subject to cancellation. All class registrants must contact the Course Coordinator prior to making travel arrangements, keeping in mind that the class may be cancelled at any time (for reasons including, but not limited to, insufficient registration, Instructor emergencies or other issues beyond the control of the chapter and/or IRWA). Fully liquidated damages for any losses incurred by a class registrant are limited solely to a refund of the registrant's prepaid class tuition. IRWA and its chapters assume no other registrant liability resulting from class cancellation.

Tuition Refund Policy: Written notification of intent to cancel registration must be received via email by both the Course Coordinator and IRWA Headquarters Education Staff (education@irwaonline.org) prior to the class start date in order to be eligible for a tuition refund. A full tuition refund will be issued if notice is received 15 days or more prior to the class start date; a 75% refund will be issued if notice is received less than 15 days prior to the class start date, and no refund will be issued for notice received on or after the class start date.
